We **AMRUTOUDAY® KMF** are Leading Manufacturer of Industrial Extension Cable Reels from MUMBAI (BHARAT/INDIA).

The **AMRUTOUDAY®** Extension Cable Reels are made of special *Robust Material* to fulfil the requirements of the Customers.

Speciality of The **AMRUTOUDAY®** Extension Cable Reels is that they are Tough, Impact and has good Resistance. Also it is made of *Unbreakable* Special Rubberised Synthetic Materials which is as *Strong* as *STEEL* and is *Resilient* but is much *LIGHTER* in weight. It has *Rust Resistant Body* and features Heavier Duty Cable ensuring minimal Voltage Drop. In **AMRUTOUDAY®** Extension Cable Reels, current carrying components are integrated into the Special Rubberised Synthetic Material with Temperatures ranging from - 20°C to +70°C. It is also Resistant to *OIL, PETROL & CHEMICALS* with *Rigid Angular Frame*. These reels are easy to Wind & Handle.

The **AMRUTOUDAY®** Extension Cable Reels available with *Multi Sockets / Outlets* or *Customise* in wide **190mm** Cover as per user's *Specifications*. **All over size: 310 X 240 X 380mm.**

The **AMRUTOUDAY®** Extension Cable Reels are for **Industrial USE, Professional USE** and *Maintenance Purpose*.
